\$100 Referral Discount Policy

In order to generate a larger client base, RMAP is instituting a referral policy for current and new members. Individuals or organizations that refer new clients to RMAP are now eligible for discounts on their next service.

Rules and restrictions:

- \$100 discount may be applied to services totaling \$200 or more.
- The referred must become a client of RMAP before the discount may be applied.
- One discount per referral. Multiple referral discounts may not be applied to a single service.
- The referred must give referral credit to you or your organization.
- This is a discount on services only, no cash value or payouts.
